DOCTOR OF PHILOSOPHY (FINANCIAL TECHNOLOGY)

(BY RESEARCH)

The Doctor of Philosophy (Financial Technology) programme is a research-based programme designed to equip students with the skills necessary to conduct scholarly research and be at the forefront of their specialised fields, and become credible authorities and experts to support the development and advancement of knowledge, while adhering to the highest professional standards.

The programme equips students with the expertise and education they need to conduct advanced research and have a sound grasp of financial technology developments. Furthermore, having a collegial network of highly motivated and talented classmates also creates a unique learning experience.

Graduates of this programme should be able to conduct and apply high quality research in academia and/or industry that will make an impact on FinTech research and practice.
