WHY INTI?

800+ Industry Partners

INTI collaborates with more than 800 industry partners including local and global organisations such as IBM, Google, FedEx, Shell, Unilever, Intel, Microsoft, Huawei, SAS, DELL and more.

100% Internship Placement

Good academic results are no longer sufficient to ensure the employability of students, therefore work experience in the form of internships is steadily becoming more important.

1000+ World Class Employer Projects

More than 1000 world class employer projects since 2010

Broad Range of Innovative Programmes

Accredited by the Malaysian Ministry of Education, INTI offers a wide range of innovative programmes from Pre-University to Postgraduate programmes.

Career Development

INTI Leadership Series - One of INTI's signature events that features top leaders from highly successful companies speaking to INTI students on topics related to leadership, innovation, entrepreneurship and strategies relevant to today's business.

Beyond Academic

INTI provides an enriching experience that enables students to find their true passion through on-campus events and activities organised by numerous clubs and societies. Through these activities, students are able to enhance their soft skills and talents.

Vibrant Community

Immerse yourself in a diverse and vibrant international community of over 13,000 students from 100+ countries.

World-Class Facilities

Experience unparalleled learning and growth in our signature world-class facilities and enjoy top-notch sports and recreational amenities for your well-being.

SUCCEED GLOBALLY WITH THE INTI EDGE

THE INTI EDGE

We Are INTERNATIONAL

Our internationally recognised education will enrich you with the right skills and attributes to excel at whatever you do and wherever you go.

WORLD RENOWNED COLLABORATIONS WITH PRESTIGIOUS UNIVERSITIES

INTI offers exclusive franchise degrees and dual award degree programmes in partnership with some of the world's highest rated universities. These partnerships help to enhance your academic credentials and offer you access to some of the most prestigious institutions of higher learning globally.

INNOVATIVE Teaching & Learning

INTI integrates an array of proven approaches to teaching combined with revolutionary applications of technology in the classroom such as the innovative Canvas Learning Management System.

CANVAS LMS

Canvas is INTI's online Learning Management System (LMS), where a variety of built-in tools can be customised to provide students and lecturers with unique and accessible teaching and learning experiences.

This technologically advanced and user-friendly system provides an excellent platform to build interconnected and collaborative digital teaching and learning opportunities that foster a holistic educational experience. With Canvas desktop and mobile versions, learning can take place anywhere and at any time.

Supplementary Learning and Assessment Tools Used:

- RAPTIVITY: Interactive Building Software ranging from games, quizzes, simulations, presentations and more
- iSTUDIO: Personal Presentation System for real-time video production role-play

INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

THE MENTOR-MENTEE PROGRAMME

Expand your social circles and future horizons

PARENT / TEACHER MEETINGS

Get valuable feedback and grow

LINKEDIN

Building your personal brand and your link to a world of opportunities

COLLABORATION WITH INDUSTRY PARTNERS

Over the years, INTI has cultivated a strong engagement with multinational companies and large local organisations on diverse platforms to foster innovation curricula and develop future-ready graduates.

and many more

The platforms include:

- Industry Awards / Scholarships
- Employer Projects
- Boot Camps and Career Workshops
- INTI Leadership Series
- Faculty Industry Attachments
- Industry Advisory Boards
- Industry Skills Certifications
- Employer Centric Curricula
- Internships and Job Placements
- Coaching and Mentoring

MASTER THE HEALING TOUCH

With a tradition stretching for hundreds of years, Traditional Chinese Medicine (TCM) incorporates a holistic approach to treating patients with a combination of acupuncture, dietary therapy, herbal medicine and more. INTI'S Bachelor of Traditional Chinese Medicine (Hons) degree prepares student to be fully trained medical practitioner, exposed to every aspect of TCM integrated with modern medical knowledge and empowered with the right soft skills to succeed.

As Malaysia's first fully accredited academic programme for Traditional Chinese Medicine, the programme is recognised by both the Malaysian Ministry of Health (MoH) and the Malaysian Qualifications Agency (MQA), enabling graduates to pursue a career not only in Malaysia but in China and other countries.

ACHIEVE MASTERY OF MANDARIN AND ENGLISH - TWO OF THE WORLD'S MOST WIDELY SPOKEN LANGUAGES

The Bachelor of Traditional Chinese Medicine (Hons) is a bilingual programme that is conducted in both English and Mandarin with lectures and course materials conveyed in both languages. While a foundation in Mandarin is desirable, non-native speakers are able to undertake complementary elective courses at INTI to achieve a suitable level of fluency in Mandarin. Upon completion of the course, graduates will have achieved mastery of two of the world's most widely spoken languages.

PRACTICAL HANDS-ON COMPONENT

A robust practical component is integrated into the academic programme. As part of their course requirements, students will follow a clinical supervisor to be exposed to standard medical practices in Traditional Chinese Medicine in a medical practice in Malaysia. Students will be called to diagnose patients and perform various treatments under supervision. Upon graduation, students will have completed over 2,200 hours of clinical attachment and hands-on training.

This hands-on component is an invaluable foundation when graduates undertake their housemanship programme after graduation. To gain international exposure, and as part of their training, selected students will also be called upon to attend global symposiums and talks as well as participate in voluntary humanitarian efforts.

PRESTIGIOUS PARTNER UNIVERSITY

INTI Traditional Chinese Medicine (TCM) programme offers one of the most diverse articulation pathways possible for those seeking a career in TCM with the option to transfer to world-class universities in China.

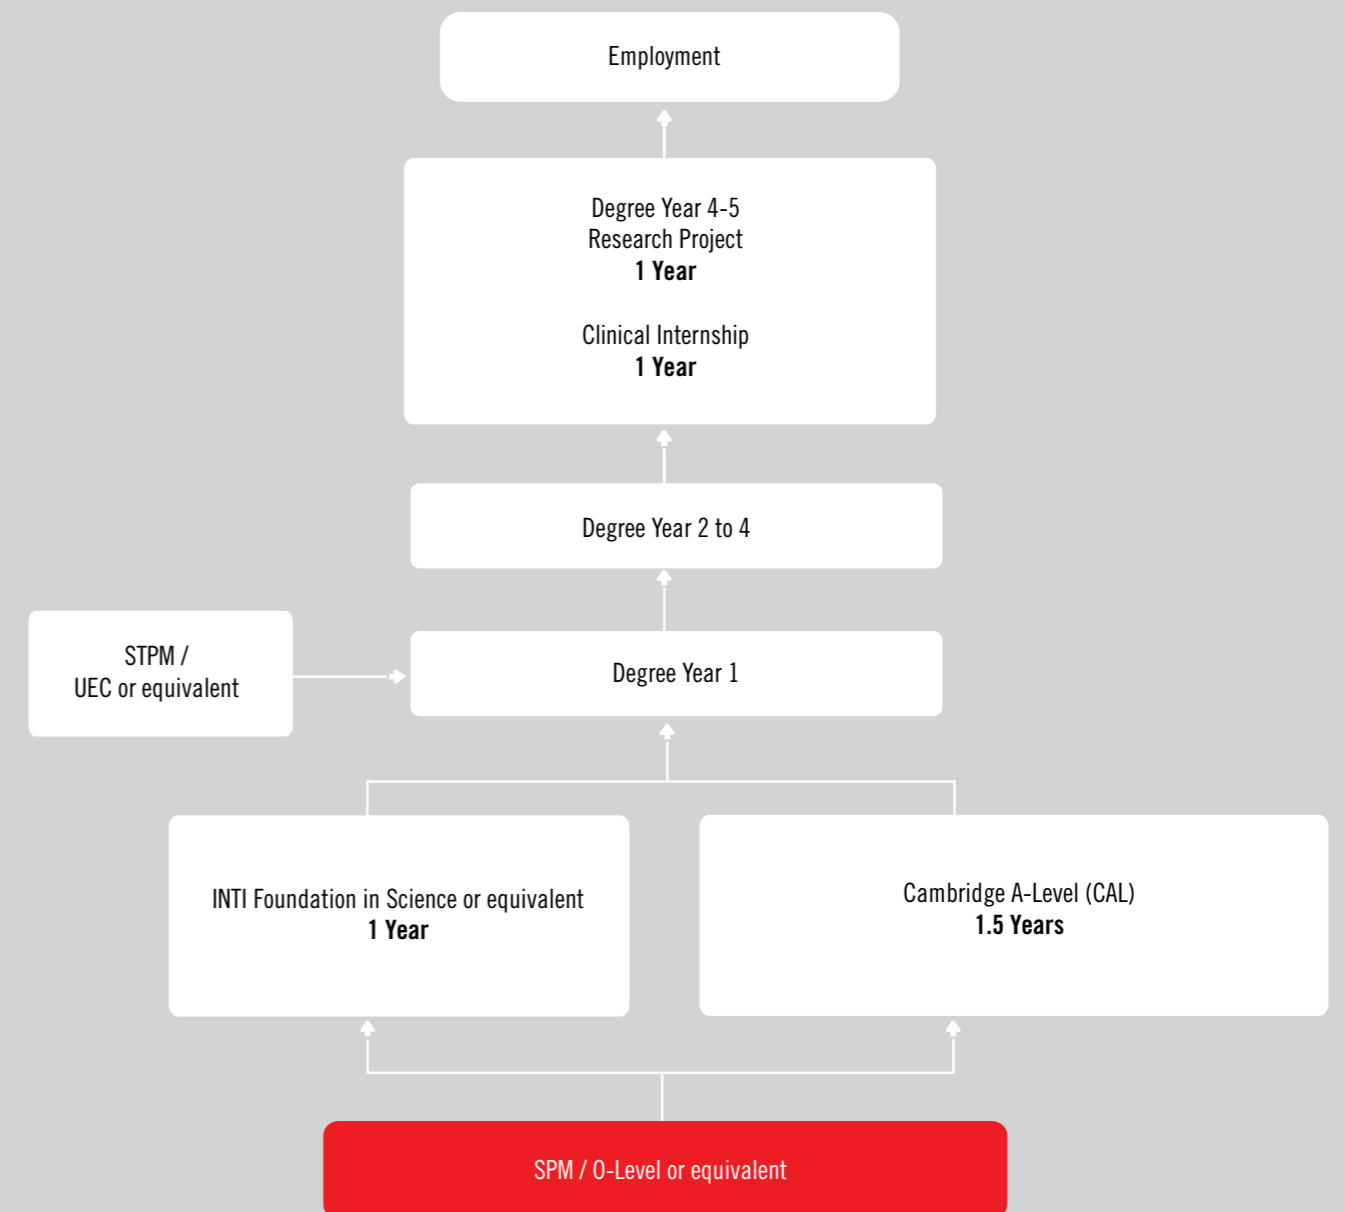

TIANJIN UNIVERSITY OF TRADITIONAL CHINESE MEDICINE, CHINA

Established in 1958, TUTCM is a non-profile public higher education institution and has one of the best TCM hospitals in China. The University has excellent state-of-the-art learning environment with distinguished teaching faculties, and is the forerunner in TCM research and development.

INTI TCM PATHWAY

ENTRY REQUIREMENTS

Foundation in Science

Biological Science / Bioscience & Pure Science / Other Science Area Pathway

**the credit requirements for Mathematics and Science subjects can be waived should students hold any other higher qualifications which contain Mathematics and Science subjects with equivalent/higher achievement

FOUNDATION IN SCIENCE

This programme prepares students for admission into Science-related degrees at INTI. It is designed to equip students with solid fundamental knowledge of their field of study, which includes Physics, Chemistry, Mathematics, English and Basic Computing.

Learning approach

Students will be introduced to various active learning methodologies such as problem-based learning, group discussions and projects, helping them develop academically in areas such as study, presentation, research and time management study, which are all prerequisites for academic success. This will further enhance the critical and analytical skills of our students, preparing them for the demanding workplace.

Assessment

Assessment of individual courses in the Foundation programme consists of two components:

- Continuous course work (50%)
- Final examination (50%)

The continuous course work component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

HEAR WHAT OUR ALUMNI SAY

“The Traditional Chinese Medicine (TCM) degree I obtained from INTI has equipped me with the skills I need in my practice and collaborations with medical practitioners all over the world. I am glad that whilst at INTI I was strongly encouraged to participate in extracurricular activities because this helped mould me into the person I am today. An achievement I am particularly proud of is to have helped establish Malaysia's very first University Traditional Chinese Medicine Aid Team.”

ETHAN LING LII CHAU
TCM Practitioner, PinPoint Physio & Acupuncture
Bachelor of Traditional Chinese Medicine (Hons)

“I had the honour of being the 19th INTIMA Student Government President, which gave me the chance to meet people from different cultures and backgrounds. I am thankful to INTI for providing me a wealth of opportunities. It gives me great pride to call myself an “INTIian” and I love sharing with people about my university life.”

KEW TAT LIM
Traditional Chinese Medicine (TCM) Practitioner, Mediseed Chinese Medicine Consulting Centre
Bachelor of Traditional Chinese Medicine (Hons)

“INTI has provided me with a strong foundation in the field of Traditional Chinese Medicine (TCM). The lecturers are amazing. They guided me with patience through the process of learning ancient Chinese characters and its application using modern allopathic medical concepts. The programme also led me to further my Master's Degree at Nanjing University of Chinese Medicine. Thank you to all TCM lecturers for their unwavering support.”

JEFFRI TAY KAI WEN
Internal Medicine Physician
Yi Fang Chinese Medicine Clinic, Batam, Indonesia
Bachelor of Traditional Chinese Medicine (Hons)

“I chose INTI because it was the first university to receive MQA (Malaysian Qualifications Agency) recognition for its Bachelor of Traditional Chinese Medicine (TCM) degree. I definitely benefited from the bilingual English and Mandarin medium of instruction and am also thankful for INTI's scholarship. Besides my mother, the tremendous support from seniors, lecturers and faculty staff gave me the strength to go on and has led me to where I am today.”

SER XIN EE
Chinese Physician cum Association Liaison Officer,
Malaysian Chinese Medical Association (MCMA)
Bachelor of Traditional Chinese Medicine (Hons)

“I thoroughly enjoyed campus life at INTI. There was good food nearby and I built many lasting friendships. In my opinion, INTI has the best lecturers and curriculum to help prepare students for the working world. When I graduated with my degree, I felt ready and confident to treat patients and share ideas. Thanks to INTI, I have a job where I can apply my skills, learn new skills and build my career.”

LEE YU JIE
Chinese Physician & Acupuncturist, Zhao Xi TCM Centre Sdn. Bhd.
Bachelor of Traditional Chinese Medicine (Hons)

* Programme structure subject to change.
